

# OBJECTIVES

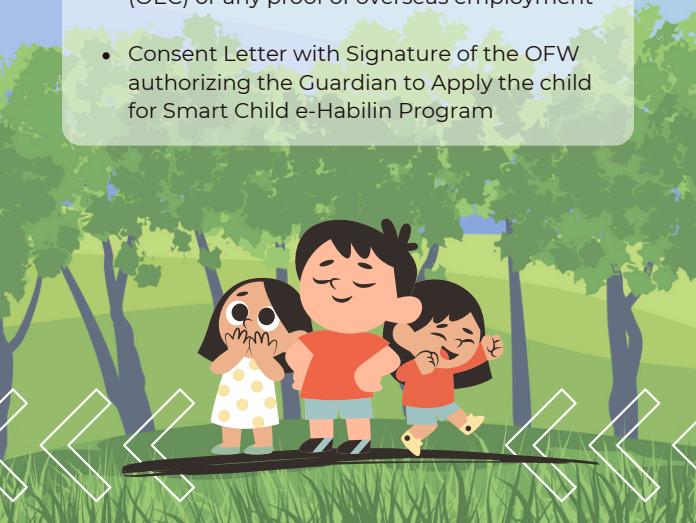

- (1) mitigate social costs of migration by providing holistic and age-appropriate programs to children of migrant workers registered in the e-Habilin portal.
- (2) empower children of migrant workers to have a well-developed social functioning, self-determination, and become advocates of "migration with a choice"

## WHO IS THIS FOR

Children of Onsite Migrant Workers ages 17 and below who lives in Quezon City

## REQUIREMENTS

- QC ID of the Guardian (QC ID and Photocopy with three sets of signatures)
- Proof of relationship with the child (Both Guardian and Parent)
- Overseas Employment Contract Certificate (OEC) or any proof of overseas employment
- Consent Letter with Signature of the OFW authorizing the Guardian to Apply the child for Smart Child e-Habilin Program

A collage of several photographs showing children in various activities. One photo shows children painting on a large sheet of paper. Another shows children playing badminton. There are also photos of children sitting at desks, possibly in a classroom or library setting. A tall, ornate monument is visible in the background of one of the photos.

(MIGRATION SERVICES DIVISION)

An illustration of three children (two boys and one girl) standing together and smiling. They are wearing casual clothing. The boy in the center has a panda graphic on his shirt.

# WHAT IS SMART child? e-Habilin

A pioneering project to address and mitigate social costs of migration.

A collaborative approach on city-level social welfare services involving an active engagement of organizations and a community-based participatory program platform.

A holistic approach program that promotes social solidarity and collaboration of relevant stakeholders towards safe, regular, orderly, and accessible full-cycle migration services specifically for children of migrant workers.

## PHASES OF THE PROGRAM

# 1

### SUPPORTING MENTAL AND EMOTIONAL WELLBEING

- Registration in Smart Child: e-Habilin Portal
